WORK EXPERIENCE

ASSISTANT MARKETING & SALES | JINDAL SAW LTD, MUMBAI (Full Time)

Oct 2024 – April 2025

Analytics & Reporting Initiatives (Work Closely with Dr.Ulhas Naik Sir – VP & Regional Sales Head):

- Streamlined reporting by 50% using Excel (Pivot Tables, VLOOKUP) on production and sales data.
- Developed Power BI dashboards tracking KPIs for 200+ steel SKUs, improving inventory turnover by 25% and reducing dispatch delays by 30%.
- Automated performance tracking with Power BI Service and DAX, enhancing visibility across operations.
- Resolved billing and dispatch issues with cross-functional teams, boosting customer satisfaction by 15%.

Responsibilities:

- Executed post-order processes in SAP, including sales order creation, quotations, and customer negotiations per pricing policies.
- Managed tender documentation, daily order tracking, and coordinated shipment forecasts with the Sales Team.
- Liaised with regional managers for payment follow-ups and order clearances.
- Handled customer inquiries, technical feasibility checks, costing, and dispatch planning.
- Coordinated with Design and Pattern Development teams to meet client specifications.
- Ensured timely processing of global internal orders and provided regular status updates to stakeholders.

Tools Used: SAP, Power BI (Desktop & Service), Power Query, DAX, Pivot Table, Advanced Excel

BUSINESS ANALYST | EVAVO WELLNESS & SOLUTION LLP, Mumbai (Internship)

May 2023 to Aug 2023

- Managed clients high-volume accounts receivable with a 95% collection rate, 20% reduction in outstanding.
- Accomplished successful payment discussions by reviewing data through Excel, resolved disputes efficiently, and optimized invoicing which reduced overdue claims receivable accounts by 35% and 15% increase in on-time payments.

Tools used: MS Excel, VLOOKUP, Pivot Table, MS Word

TECHNICAL ANALYST | STOCKAXIS (A STOCK ADVISORY COMPANY) (Internship)

July 2022 to Sep 2022

- During my internship in technical analysis at StockAxis, I gained valuable hands-on experience in analyzing stock trends, identifying key technical indicators, and generating actionable trading insights. I honed my skills in chart pattern recognition, Fibonacci retracements, and moving average analysis, which significantly contributed to my understanding of market behavior and trading strategies. This opportunity not only enhanced my analytical abilities but also solidified my passion for analytics methodologies. I found out how Hindenburg Research identified financial fraud in Adani Enterprises by analyzing its ROIC.
